BROOKLYN EDITION EVENING WORLD-ONE CENT.

20,000 ARE IDLE.

Far-Reaching Effects of the Strike Against the Iron League.

Building Operations Throughout tile City Completely Blocked.

Apparent.

The strike ordered by the Board of Walking | for Sulzer's Harlem River Park, where the Delegates against J. B. & J. M. Cornell, the barcecue was held. Jackson Architectural Iron Works Company, and incidentally against the Iron League, and State had been invited, and most of them presents to-day a very grave aspect.

During the last week the strike has become of much wider scope than was deemed possi- ment, but Timothy J. Campbell came all the tie at the outset. It has developed propor- way from Washington to be present. Evers tions that include all the manifold trades em- Assembly district in the city was represented ployed in building construction excepting by a regularly accredited delegation. It was the bricklayers and the plumbers' associa- the largest aggregation of local politicians tions. These two organizations only hold gathered in one place for a long time. aloof and refuse to interfere in favor of one or

the other side. A total of sixty-eight of the principal buildings in course of construction in the drews, Coroner Shea, Register Fitzgeraid, city are tied up, and it is, besides, impossible Justice Divver, Aldermen Hart, Bailey and under existing conditions to proceed satis-factorily with hundreds of other jobs giving employment to smaller numbers of artisaus

Between 15,000 and 20,000 men are idle as other catables of all kinds and plenty to consequence, and the building trades are in drink.

add laborers.

The Cornells, Jacksons and builders repregames, which consisted of sprinting, highenting the side of capital in the struggle are jumping, a fat man's race, for men weighing leath to neknowledge that the situation is over 200 pounds, and a sack race. A feature really as deplorable as has been indicated. of the games was a three-mile run, open only they contend that the places vacated by the to members of the New York and Brooklyn strikers are being stendily filled by non-union Police, Fire and Post-Office departments, The prize, a gold medal, was donated by Arthrit Lunies. The games were conducted according to the rules of the American Ath-letic Union, under the management of J. T. Norton, of the Mapattan Athletic Club. En-tries, like everything else on the grounds, were tree. nen, and that work is progressing quite satsfactorily, though not so rapidly as it might inder more favorable auspices.

The fact remains, nevertheless, that where

That fact remains, nevertheless, that where a lew weeks ago, where the strike was insugurated, all was life and bustle, to-day slicitor and a lack of everything indicating progress prevails.

Thousands of men are walking the streets in ideness or folling languidy about the places where the strikers are wont to congregate, watching and waiting in vain for some intimation of an approaching settlement of the costly difficulty.

That a settlement is far off is evident from

That a settlement is far off is evident from he attitude of the principals. Besides it has become a very complicated matter, and a set-tlement of one question may not in any way tend to affect another.

able strike. The delegates continue to be the aggressors, while the bosses apparently remain passive and accept the consequences without a murmur, at least so far as the public knows.

The movement of the Iron League to organize an Independent Carriers Association, to deliver material from boycotted yards, has practically falled. The effort to continue work on jobs under strike with non-union men has also met with fallure, as well as the overtures made to strikers to repudiate the

Union and return to work.

The strikers have been successful in completely blocking work on every job selected, and declare that they have falled in nothing yet undertaken.

Several property-owners who have buildings in course of construction called on Sections.

ely that anything could be done,

It was not likely that anything could be done, at least for the present. He has enough old brick on band to finish the building, but whether the delegates will sllow blue to use to not remains a question. An office building at Fitteenth street and Sixth avenue, belonging to J. J. Coogan, was tied up this morning because the contractors persisted in using material from blacklisted yards. Sixty men quit work.
